AI Proof Bundle

Project: AI-Assisted HR Operations and Business Reporting Framework using ChatGPT and Advanced Excel

1. AI Workflow

Candidate Data (Excel) → Data Cleaning → ChatGPT Prompt → Draft Email / Candidate Summary / Report → Human Review → Final Output

2. Sample Prompt

Prompt: Draft a professional recruitment email for shortlisted candidates based on the provided candidate details.

3. Sample Output

Professional recruitment email, candidate summary and report draft generated from the prompt.

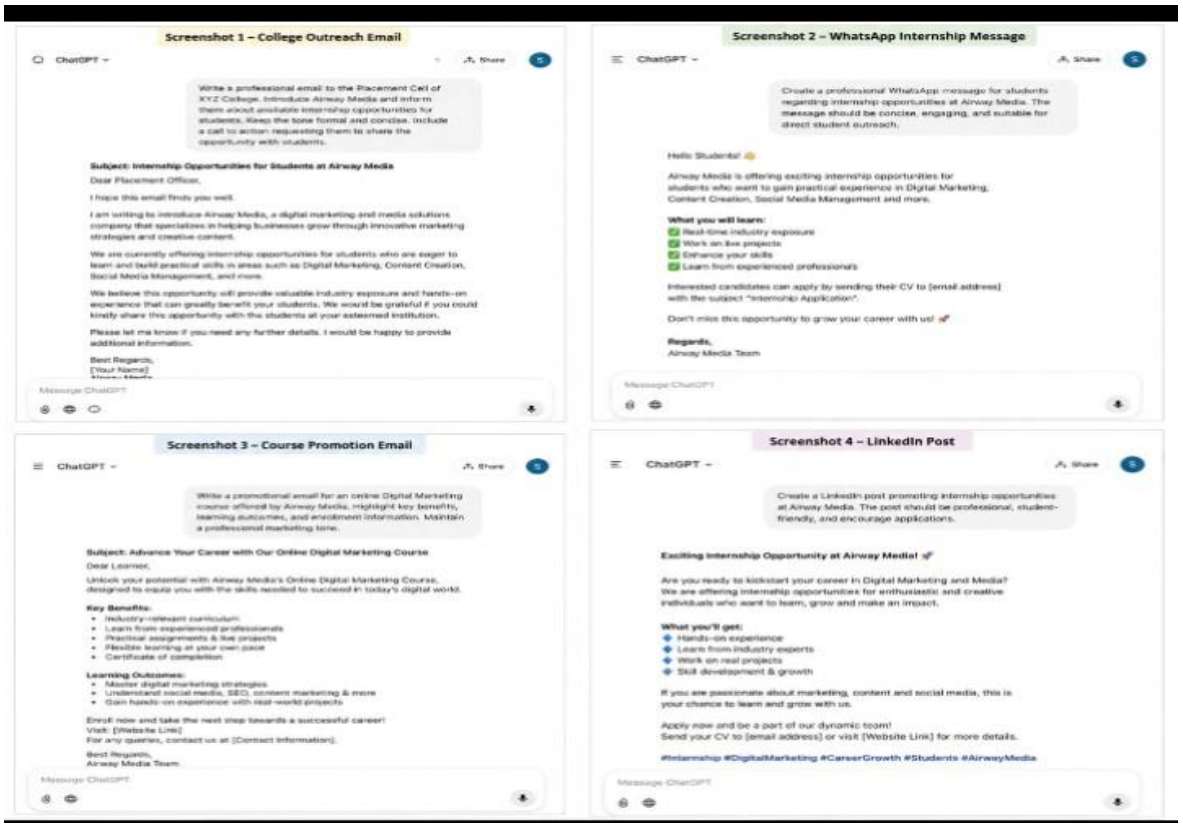

4. Advanced Excel Evidence

Candidate tracker, data cleaning, sorting, filtering, pivot analysis, duplicate removal and reporting.

5. Demonstration Summary

The framework was demonstrated as a prototype using sample/anonymized data and discussed with the organizational supervisor.

Prompt 1 – Recruitment Email Draft

Input

Candidate Name: Rahul Sharma
Position: HR Executive Intern
Interview Date: 15 June 2026
Interview Time: 2:00 PM
Mode: Google Meet

Prompt

Draft a professional interview invitation email for the above candidate. Keep the tone formal and include the interview date, time, mode, and instructions to join 10 minutes early.

Sample Output

Subject: Interview Invitation – HR Executive Intern
Dear Rahul Sharma,
Thank you for your interest in the HR Executive Intern position at Airway Media. You are invited to attend your interview on **15 June 2026 at 2:00 PM** via Google Meet. Please join the meeting 10 minutes before the scheduled time. We look forward to speaking with you.
Regards,
HR Team
Airway Media

Prompt 2 – Candidate Summary

Input

Candidate Skills:

- MS Excel
- Communication
- Recruitment Support
- Data Entry
- MBA (HR)

Prompt

Summarize the candidate profile in 5–6 professional lines highlighting key strengths for HR recruitment.

Sample Output

The candidate possesses strong knowledge of Microsoft Excel and recruitment support activities. They demonstrate effective communication skills and experience in data management. Their MBA background provides a solid understanding of HR practices. Overall, the candidate appears suitable for entry-level HR operations and recruitment coordination roles.

Prompt 3 – Business Report Summary

Input

Daily Activities:

- Screened 45 resumes
- Contacted 18 colleges
- Scheduled 12 interviews
- Updated recruitment tracker
- Prepared HR report

Prompt

Convert the above activities into a concise professional daily business report suitable for submission to a reporting manager.

Sample Output

Daily Business Report
Today, 45 candidate resumes were screened and evaluated. Communication was established with 18 colleges to support recruitment activities. A total of 12 candidate interviews were scheduled, and the recruitment tracker was updated with the latest status. The daily HR report was prepared and documented to support operational reporting.
